

Positive Parenting 2:

An Introduction to Attachment

with James Reynolds - Evidence-based Researcher & Author

Sunday, 3 February 9.30-13.30

The stability of the bonds between parent and child plays a central role in the emotional development of the child. This important workshop will explain attachment: what it is, how it is formed, at what ages and stages – and the consequences.

Cost: £35 includes refreshments **Code:** WPP2
